

# Saint Peter's Bald Head

## ONE IN CHRIST

Gracious God, we give you great thanks for the countless blessings you have bestowed upon your church in Maine. We are many and diverse, yet one in You. We seek to express that unity in the vision we have set before us and ask that you be with us as we go forth. Give us all generosity of heart and mind, boldness of spirit and a strong resolve to show forth your love to all the world, through Jesus Christ our brother and our saviour. AMEN

*Some of you may have met Ms. Turnbull when Bp. Knudsen made her visit to SPBTS. For any who did not, I invite you to make contact with her. It is such a worthy cause. Editor.*

What a joy it was to visit St. Peter's by the Sea and to partake of your generous hospitality, both at the table of the Eucharist and at the table of fellowship.

It is this very hospitality that the Diocese of Maine embraces in establishing college chaplaincy through the ONE IN CHRIST campaign. Maine has a rich heritage in higher education, from liberal arts colleges that attract students from throughout the world to a public university sys-

tem that unlocks the doors of opportunity for everyone.

For all students, college is a time of transition and discernment. Through ONE IN CHRIST, I invite the people of St. Peter's to extend your joyful tradition of hospitality to our next generation of faithful laity, parish leaders and clergy by contributing to the college chaplaincy endowment.

## ALOHA!

**Aloha!** This is the 19th century Hawaiian word used both as a greeting and as a farewell. It literally means: **love, affection**. With love and affection, Barbara and I say, **Aloha!** And again, at the beginning of our 2005

Bp. Longest

season, we will greet you all with, **Aloha!** We have had a very good summer together and some of us are already thinking about and planning for the next year. In the time between we can keep up with each other

by mail, e-mail, telephone, and by letting Royce Morgan in on what is happening in our lives. Be sure he has your winter address and be sure to help him make the November, February and May editions of our newsletter full of news about you and your family. And above all, until we greet one another again in St Peter's Church or the

Rectory at Marmion House, let us keep each other in our thoughts and prayers, with **love and affection.**

## Jane Says...

Jane Greene

GOOD NEWS!!! **Jay Hayden** has had a lung transplant at the Cleveland Clinic. He is doing amazingly well. In fact, he has been able to join **Judy** at an apartment they are renting close to the hospital. If the tests he is currently taking permit, he will be able to come home to Cape Neddick for a two or three week stay. Jay says, "It's a miracle." We agree.

It's sad to report that with all this turmoil going on in the Hayden family, Jay's mother died. **Elizabeth Hayden** passed away at the Harbor Home in late August. We send our sympathies to

all the family.

A very tragic death occurred in **Lois Mack's** family. Her daughter **Hadley's** husband, **Henry French**, died suddenly from a heart attack about two weeks ago. Hadley and Henry, who live in Michigan, had just returned from a vacation. They had been visiting here in Maine. Lois, who's home is there also, flew out in a private plane. She is back in Ogunquit. Our hearts go out to Lois and Hadley and the Mack and French families.

**Margaret Neal** is expected to arrive in Ogunquit on September 8th. She says she won't be able to play bridge with the church bridge group that day, but you can say hello to her at our goodbye party.

By the way, our Annual Au Revoir Party will be September 11th at the Marmion House from 5 until 7 p.m. Hope to see you and your hors-d'oeuvre there.

## For Our Church Musicians and Artists, Thank You

Our Church has been fortunate to have a history of superb music, but no part of that time has been better than the present. The repertoire of our fine **Director of Music, Henry Hoken**, and his choir is impressive. But more impressive is their love of singing and the distances they travel to bring their talent to us.

## Let's Keep In Touch

This will be the last regular edition of the "Bald Head" for this season. In an effort to keep the momentum which we have started, I am asking everyone who receives this letter to make an added effort to stay in contact with each other and with the "Bald Head".

There will be an edition in late November to cover the Advent/Christmas seasons, another in February for the Lent/

Easter seasons and a third in early May which will hopefully be filled with news of the coming season of SPBTS.

I know many of our parishioners travel extensively, let us share in your trips; I'm sure there will be opportunities for prayers of concern and thanksgiving, let us share in those also. Just because we a separated physically doesn't mean we are not still a congregation.
